THE PUBLIC SERVICE COMMISSION OF

SOUTH CAROLINA

DOCKET NO. 2019-209-E

In the Matter of:

South Carolina Energy Freedom Act (House Bill 3659) Proceeding Related to Dominion Energy South Carolina, Incorporated and S.C. Code Ann. Section 58-41-30 Related to Electrical Utilities and Their Current Voluntary Renewable Energy Program, and Such Other Proceedings Required by the Commission

**DOMINION ENERGY SOUTH
CAROLINA, INC.'S REQUEST FOR
LEAVE TO FILE SUR-SURREBUTTAL
TESTIMONY**

Dominion Energy South Carolina, Inc. ("DESC"), by and through the undersigned counsel, hereby requests the Public Service Commission of South Carolina (the "Commission") by and through the hearing officer in this proceeding, to allow it to file brief and focused sur-surrebuttal testimony in the above-captioned proceeding. A copy of the sur-surrebuttal testimony is attached hereto. In support thereof, DESC would respectfully show as follows:

In its surrebuttal testimony, Intervenor Walmart, Inc. for the first time makes certain proposals for structuring DESC's Voluntary Renewable Energy ("VRE") Rider for Renewable Generation Supply Agreements ("RG-Supply Agreement") and Power Purchase Agreements ("PPAs"). Specifically, Walmart raises for the first time the proposals that (1) the avoided cost rates could be re-negotiated after ten years even if an RG-Supply Agreement has a longer contractual term, and (2) DESC could structure its PPAs to automatically terminate if a customer leaves DESC's systems. In its sur-surrebuttal testimony, DESC responds to those points.

In response to these new proposals, DESC respectfully requests the opportunity to file this sur-surrebuttal testimony.

Respectfully submitted,
